VOLUNTEER COACHING FORM

Make a difference in the lives of children as a Volunteer Coach with Aurora Parks and Recreation. Opportunities are available in many youth sports. Time commitments usually involve one practice and one game per week for approximately eight to ten weeks. Coaches will also attend an organizational meeting, communicate information to players and parents, and distribute equipment, awards and jerseys. The main requirement is an interest in working with children and a desire to positively influence their lives! Please call 330-562-4333 for more information.

Without you as a Volunteer Coach, these valuable, fun programs wouldn't happen. Thanks in advance for your help – not only from us, but from the kids as well!
